To Order, Choose Finish Selections & Options

Work Surface: Choose from our selection of high-pressure laminates.

Legs: Choose from our powder coat selection.

Edges: Choose a PVC edgeband.

See **media technologies**' Finish and Color Guide for choices at www.mediatechnologies.com.

General Specifications

Table Top: Table tops are 1-1/4" thick, three-ply 45# particleboard with .050" high-pressure laminate top surface and .030" phenolic backer. Edge types include Benchmark Bevel (KB), Benchmark Bullnose (KN) and Benchmark Waterfall (KW). Apron-free construction provides increased leg room and ADA compatibility. Table tops 60" and longer are supported by a steel keel.

Leg and Base: legs are 2-1/4' solid glued up red oak with a smooth 3/8" radius on all long edges and equipped with adjustable levelers. Legs are attached to the table top with machine bolts , 5" x 5" solid steel plate and barrel nut embedded in the leg.
