BOOKMARK CIRCULATION

General Specifications

General Specifications - Oak & Maple
Counter Tops and Transaction Tops: Constructed of 1 - 1/8" particleboard with high-pressure laminate on top face and phenolic backer material on bottom. Exposed edges are banded with 3mm wood, 1/8" radius on edges and corners. Patron edge banded with 5/16" hardwood edge and has 1/4" radius on top and bottom.

Case Construction: Constructed 3/4" particleboard with premium grade veneer on exposed faces. Exposed edges are banded with 3mm wood, 1/8" radius on edges and corners. Glue and dowel construction. Transaction tops are integrated into the case. Separated transaction units are also available.

Adjustable Shelves: Constructed 3/4" particleboard with premium grade veneer on exposed faces. Exposed edges are banded with 3mm wood, 1/8" radius on edges. Shelf holes have standard Euro 32mm (1 - 1/4") spacing.

Drawers: Constructed 3/4" particleboard with thermally-fused classic maple laminate on exposed faces. Exposed edges are banded with .5mm Hardrock Maple PVC. Drawer bottoms are 1/4" medium-density fiberboard with thermally-fused classic maple laminate on exposed faces. Box and File drawers have ball-bearing full extension slides. File drawers have hardware provided for lateral and vertical file orientation. Glue and dowel construction.

Doors: Constructed 3/4" particleboard with premium grade veneer on exposed faces. Exposed edges are banded with 3mm wood, 1/8" radius on edges and corners. Featuring self-closing inset European concealed hinges with three-axis adjustment, 110-degree opening angle.

Continuous Top Construction: Countertops may be specified as continuous and will be listed separately from the desk modules.

Locks: Units come with locking drawers. Doors may be specified as locking and are keyed alike.

General Specifications - HPL

Model number break down:

[BCD]-[2DC]-[3630]-[29]-[NI]-[L]-[NG]-[P2N]

- [BCD] — Bookmark Circulation Desk
- [2DC] — Unit Type
- [3630] — Dimensions
- [29] — Height
- [NI] — No Trans Top / Integral Counter Top
- [L] — HPL
- [NG] — No Grommets
- [P2N] — Nickel Loop Pulls

Required materials to order:
Model # including:
• HPL selection
• Veneer, if applicable
• PVC or wood edge selection, where applicable
Note: available in CET and Revit

Prices and specifications subject to change without notice.
