General Specifications - Oak & Maple

End, Toe and Back Panels: Constructed of 1" particleboard with premium grade veneer on exposed faces. Exposed edges are banded with 3mm wood, 1/8" radius on edges and corners. Cam and dowel construction.

Bin Bottom and Face Panels: Constructed of 3/4" particleboard with premium grade veneer on exposed faces. Exposed edges are banded with 3mm wood, 1/8" radius on edges. Cam and dowel construction.

General Specifications - HPL

End, Toe and Back Panels: Constructed of 7/8" particleboard with high-pressure laminate on exposed faces. Exposed edges are banded with 3mm PVC, 1/8" radius on edges and corners. Cam and dowel
construction.

Bin Bottom and Face Panels: Constructed of 11/16" particleboard with high-pressure laminate on exposed faces. Exposed edges are banded with 3mm PVC, 1/8" radius on edges. Cam and dowel construction.

General Specifications - TFL

End, Toe and Back Panels: Constructed of 1" particleboard with thermally-fused laminate on exposed faces. Exposed edges are banded with 3mm PVC, 1/8" radius on edges and corners. Cam and dowel construction.

Bin Bottom and Face Panels: Constructed of 11/16" particleboard with thermally-fused laminate on exposed faces. Exposed edges are banded with 3mm PVC, 1/8" radius on edges. Cam and dowel construction.

Bin Dividers: 1/4" diameter aluminum rod dividers threaded on one end. Eleven adjustment positions per bin spaced 2 - 3/4" apart.

Stationary Glide Option (-SG): Four 5/8" diameter x 5/8"H white glides installed on the bottom of the end panels.

Mobile Option (-MB): Four steel gusseted and flanged corner brackets, each attached to the end and toe panels with eight #10 x ¾" screws. 2" diameter concealed casters bolted to the brackets with four ¼ - 20 bolts and nylon inserted hex nuts.

Available Dimensions		
Widths	**Depths**	**Heights**
36	24	30
X	X	36

Model number break down:

[BRW]-[3624]-[30]-[L]-[SG]

Product Line | Dimensions | Height | HPL | Stationary Glides

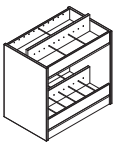

Mobility:

SG = STATIONARY, GLIDES
MB = MOBILE, BLACK CASTERS
MG = MOBILE, GRAY CASTERS

Material

L = HPL
V = VENEER
T = TFL

Statement of Line

Browser

Required to order: Model # including options if applicable
- HPL selection, if applicable
- Wood finish selection, if applicable
- PVC or wood edge selection, where applicable

Note: Prices for items with wood veneer or edges is based on oak. Use of maple or other species may incur an upcharge.

Note: Available in CET and Revit.
