DRIFT SHELVING

CUT SHEET

- Drift Single- and Double-Faced Curved & Straight Mobile Shelving.
- Concave units have the shelving on the inside curve, convex units have the shelving on the outside curve and double sided units have shelving on both sides.
- Perforated steel back options available.
- Multiple configurations available when pairing together: pair concave units to make a circle or concave units with convex units to create an “S”.
- Great for dividing a space or carving out a seating nook when paired with our Full Time Curve Ottomans.
- Optional connecting magnets and top handles are also available.
- View our Drift Curved Bookcase Product Demo video to learn how to adjust shelves at: https://www.youtube.com/watch?v=7ZidtCdVYRA
