## FINISH DESIGNATOR

**Select** your desired Drift Shelving unit from the mediatechnologies Drift Price sheet by model number.

**Follow** the Step-by-Step method to tell us how you want your Drift Straight Unit finished. Make sure you indicate your finish choice for each step below in your purchase order. We will list your choices as notes below each individual model number in your order acknowledgement.

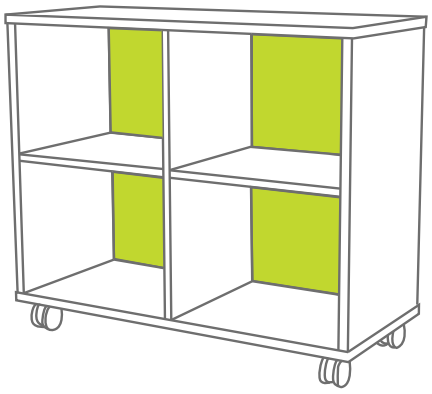

To the right is a simple explanation of a mediatechnologies Drift Straight model number.

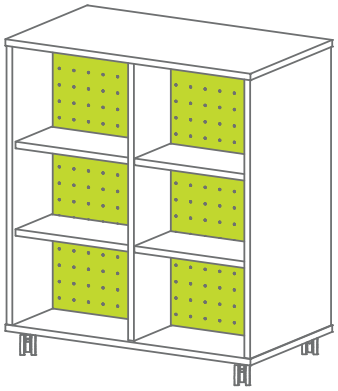

**Step 1:** Select HPL, TFL or Veneer for back panel. Or select powder coat for perforated steel back panel, if applicable.

Choose from our selection of finishes.
See our selection of finish choices at
https://www.mediatechnologies.com/resources/finishes

Enter your selection on "Back Panel HPL/TFL/Veneer/Powder Coat" line on the last page of this designator.

** Note: if markerboard back is specified, inside of back will match top, vertical sides and vertical divider.*

*For double faced units, the back panel divides the two faces.*
