DRIFT STORAGE

FINISH DESIGNATOR

Select your desired Drift Storage unit from the mediatechnologies Drift Price sheet by model number.

Follow the Step-by-Step method to tell us how you want your Drift Storage unit finished. Make sure you indicate your finish choice for each step below in your purchase order. We will list your choices as notes below each individual model number in your order acknowledgement.

To the right is a simple explanation of a mediatechnologies Drift Storage model number.

Step 1: Select HPL or TFL for back panel. Or select powder coat for perforated steel back panel, if applicable.

Choose from our selection of finishes.
See our selection of finish choices at
https://www.mediatechnologies.com/resources/finishes

Enter your selection on "Back Panel HPL/TFL/Powder Coat" line on the last page of this designator.

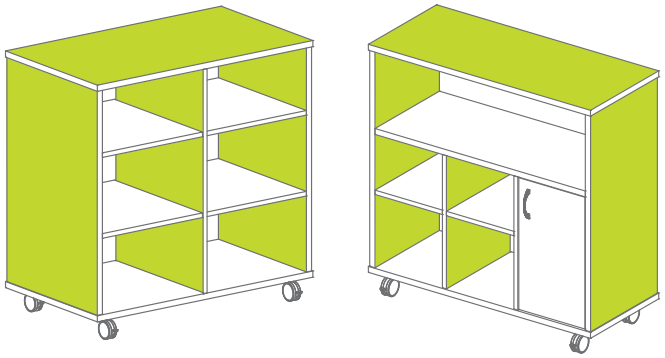

** Note: if marker board back is specified, inside of back will match top, vertical sides and vertical divider.*

Step 2: Select HPL or TFL for top, ends and intermediate panels, if applicable.

Choose from our selection of finishes.
See our selection of finish choices at
https://www.mediatechnologies.com/resources/finishes

Enter your selection on "Top, Ends/Intermediate Panels HPL/TFL" line on the last page of this designator.
