GTX CARREL

CUT SHEET

- Contemporary GTX steel base and floating worksurface design add a modern twist to a classic furniture concept.
- High-pressure laminate work surface “floats” atop steel frame.
- High-pressure laminate curved privacy panels.
- Acrylic privacy panel option available.
- 14-gauge steel leg frames bolted into a double steel keel assembly for a rigid base.
- Single-faced and double-faced carrels available.
- One wire management grommet per station is standard.
- Legs fitted with adjustable leveling glides.
- Casters are optional.
