ROCKFORD

CUT SHEET

- A variety of shapes and sizes allow collaboration in an ever-changing environment.
- 1 - 1/4" thick top with high-pressure laminate worksurface and PVC edgebanding.
- Rigid 14-gauge two-piece steel adjustable legs, 22" to 32" heights (The addition of casters will change the adjustable height range to 24" to 34").
- Standard adjustable leg finishes include a top and bottom piece: top leg portion can be specified as any Group I or II powder coat, bottoms will always be silver. Silver top and silver bottom are available and have the shortest lead time. *Group II may incur an upcharge.

To Order Specify

Worksurface: Choose from our selection of high-pressure laminates.

Edge: Choose from our selection of PVC edges.
Note: Sprocket, Beanie and Flair Top tables receive 3" radius corners.

Base: Choose from our selection of powder coats; indicate silver top / silver bottom or choose top color. Bottoms will always be silver.
