# ROCKFORD PICK

## CUT SHEET

- Rigid 14-gauge steel adjustable legs. Adjustable from 24” to 32” heights in 1” increments.
- Each leg is composed of an outer steel tube and an inner steel tube. The upper portion of the leg includes an internal ABS Black Plastic Collar, which allows the bottom leg to be adjusted with out marring the powder coat. Adjustable legs include two adjustment screws.
- Each leg is provided with a leveling glide at the bottom. Casters are optional (two or three). The addition of casters will change the adjustable height range to 24” to 34”.
- Work surface is high-pressure laminate with PVC edgeband.
- Two top sizes: 27”D X 28”W single user and 40”D X 42”W multi-user.

### To Order Specify

**Worksurface:** Choose from our selection of high-pressure laminates.

**Edge:** Choose from our selection of PVC edges.

**Base:** Choose from our selection of powder coats to indicate uniform top color. Bottom of leg will always be Silver.

See media**technologies** Finish and Color Guide for choices at www.mediatechnologies.com.
