RUBIX

FINISH DESIGNATOR

Select your Rubix model from the mediatechnologies Rubix Price sheet by model number.

Follow the Step-by-Step method to tell us how you want your Rubix finished. Make sure you indicate your finish choice for each step below in your purchase order. We will list your choices as notes below each individual model number in your order acknowledgement.

Step 1: Select HPL for work surface, if applicable.

See our selection of finish choices at
https://www.mediatechnologies.com/resources/finishes

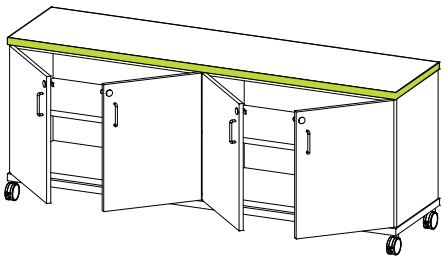

Enter your selection on “Work Surface Color” line on the last page of this designator.

Step 2: Select PVC for work surface, if applicable.

See our selection of finish choices at
https://www.mediatechnologies.com/resources/finishes

Enter your selection on “Work Surface PVC” line on the last page of this designator.
